

MARCO increases his global presence

Over the last years, TH COMPANY has increased its global presence by opening new offices worldwide in order to provide a better and global service to its customers:

- 2 offices in Spain: Munguia and Vigo
- 1 office in México: Mazatlán
- 3 offices in Ecuador: Manta, Guayaquil and Posorja
- 2 offices in Perú: Lima y Chimbote
- 1 office in Asia Pacific region: Shanghai

MARCO currently serves over 70 per cent of the world's tuna vessels and is a worldwide benchmark for technology. Many MARCO products have become industry standards.

MARCO also provides a wide range of services ranging from advice on technology to the supply of spare parts, vessel audits, technical assistance and local support all over the world through its broad network of branch offices in key countries for the industry.
